The function rooms are available on a first-come first-serve basis. The function room can hold up to 120 people, with a further 30 in the Des Hegarty Bar. The hire of the rooms is subject to Committee approval. This procedure is in place to remove the possibility of double bookings and to ensure that proper arrangements are made to cater for you. Non-members **MUST** get their application sponsored by a member of the club; a fee applies to applications from non-members.

### Catering

**The Club is able to provide a number of different menus for your function, see the menu sheet on page 2 for more details.**

If you wish to provide your own catering you should contact the Club after your application has been approved to discuss arrangements, but note the following: Because of Health and Safety and other restrictions you are **NOT** permitted to use the Club's food preparation areas; You must provide **ALL** cutlery, plates etc.; Everything must be removed from the Club by 10am the following day as there may be another function requiring the room. **So to make things easier why not let the Club provide the catering for you!**

The Club provides a wide range of alcoholic and non-alcoholic beverages. However, we don't stock everything. If you want something special please contact the Club once your application is accepted.

### Entertainment

The Club has numerous contacts with entertainers and their agents in the North Wales area. If you require any advice about booking an act for your party please contact us.

### Extras

The Club wants your party to go with a bang! If you want something special such as to decorate the room let us know. You may not want entertainment, but what about your own background music? Give us your CDs or cassettes and we will play them for you.

### Restrictions
